In the Summer of 2018, the Passion of Football Fans from around the World swept over Russia. In the Exciting Tournament, where a Sport replaced Conflict, Elite Footballers came together to compete on the Pitch, regardless of Differences in Skin Colors. As the Head of BeautyCam put it, Football is about Skills and Fair Play, not Skin Colors - which coincided with their Concept of "NO COLORISM". That's why they held the Exhibition at VDNKH Park Plaza in Russia on July 11. BeautyCam hopes the Message would resonate with the World. Football Fans of Different Skin Colors stopped by to admire the Exhibits on Display.

Almost all the Photos on Display had been contributed by Football Fans through Invitations put out by BeautyCam.
